**5th.—The self-adjusting Tension.**

The Florence was awarded the first and highest premium at the State Fair of California, the only Fair on the Pacific coast at which any two double thread Sewing Machines were exhibited in competition in 1865.

The Florence received the only premium awarded, by the Mechanic's Institute of San Francisco, in 1864 and 1865, to any Sewing Machine, Sewing Machine Co., or Agent. The claim of a competitor to a medal is without any foundation whatever.

Wherever the Florence has been brought in competition with other Sewing Machines, it has always been declared the best. It is the most simple, the most substantial, the most efficent, and its use is easily learned. Every Machine sold is guaranteed in the full sense of the word.

### MEDICAL.

**THE LIGHT OF THE WORLD,**
**DR. MAGGIEL'S**
**PILLS AND SALVE!**

These Life-giving remedies are now given to the world. For over a quarter of a century of private practice the ingredients in these

**LIFE-GIVING PILLS!**

Have been used with the greatest success. Their mission is not only to prevent disease, but to cure. They search out the various maladies by which the patient is suffering, and re-invigorate the failing system. To the aged and infirm a few doses of these valuable PILLS will prove to be

**A VERY FOUNTAIN OF YOUTH,**

For in every case they add new life and vitality, and restore the waning energies to their pristine state. To the young and middle-aged, they will prove most invaluable, as a ready, specific, and startling medicine. Here is a dream realized, that Ponce-de-Leon sought for three hundred years ago, and never found. He looked for a fountain that would restore the old to vigor and make youth ever

**AN ETERNAL SPRING!**

It was left for this day and hour to realize the dream, and show in one glorious fact, the magic that made it fair.

**THESE FAMOUS REMEDIES!**

Cannot stay the flight of years, but they can force back and hold aloof, diseases that might triumph over the aged and the young. Let none hesitate then, but seize the favorable opportunity that offers. When taken as prescribed—

**FOR BILLIOUS DISORDERS**

Nothing can be more productive of cure than these Pills. Their almost magic influence is felt at once; and the usual concomitants of this most distressing disease are removed, These remedies are made from the purest

**VEGETABLE COMPOUNDS.**

They will not harm the most delicate female, and can be given with good effect in prescribed doses to the youngest babe.

**FOR CUTANEOUS DISORDERS**

And all eruptions of the skin, the SALVE is most invaluable. It does not heal internally alone, but penetrates with the most searching effects to the very root of the evil.

**Consolidated Indiana Hill Mining** Company.—Indiana Hill Mining District, Township No. 4, Placer county, California.

S. gold coin, to H. Boek, Secretary of said Company, at Dutch Flat, in said county.

**1866—1867.**

Since the occupation of this State by the Americans, no new year has dawned upon us so auspiciously as this. During the year 1866, we have had, considering the low state of agriculture in California, one of the most remarkable grain crops ever harvested. It has brought a fair price and rid nearly all our farmers from debt, making not a few of them independent. Congress has awarded us laws by which sound titles may be cheaply secured to settlers on farms or in the mines; and the mines have yielded something more than the average of the precious metals. Quartz mining has especially the attention of capitalists, and under the impulse given to it, a number of towns have started into a new and more vigorous life. The building of railways has been pushed with much energy, giving steady work, at good wages, to probably as many as fifteen thousand men. The year has seen the railway fever start here as it did fifteen years ago in the Western States. Many new lines have been projected and many others are earnestly talked of. In fact, our people have discovered that to realize the visions of greatness indulged in favor of California, we must follow the fashion of the world and create a railway system which will bring us into ready and cheap communication with our neighbors.

These successes of labor, and the passion for solid improvement which they naturally inspire, have done much to change the nomadic habits of the people, and California is now, more than ever before, spoken of as "home." "Health, peace and competence" have attended upon us all through the year which has just left us with its parting blessing of copious rain in favor of 1867, whose dawn already reveals to us a new trade and a new life. From all the State no sound of distress is heard. The flood has brought nothing but good to miner, farmer, or denizen of city or town. San Francisco, as her people watch to-day the departure of the Colorado on her pioneer voyage to Asia, plucks up fresh hope, and every one of her thoughtful children feels better satisfied that his lot has been cast in such a city and in such a land. Let us trust that the auspices beginning may bring a good ending of the year upon which we have just entered. But so trusting, let us

"Learn to labor, learn to wait."
We have much to do to
"Tame this panther of the splendid hide
Down to his master's will."

Sir Morton Peto said, after his visit to the United States, that it was "impossible to drop a railway down anywhere in America that would not pay." What he said with reference to the States east of us is especially true with regard to California. A railroad running in almost any direction from this city toward the interior would pay. We have everything to do, as yet, in this line. The State ought to be cobwebbed with railways, and it is to be hoped that the year on which we have just entered may become remarkable for this sort of enterprise.—*Alta, Jan. 1.*

COST OF TELEGRAPHING.

As the rates for telegraphing business messages across the American continent and over to the other hemisphere by the Atlantic Cable are not generally known, we present the following explicit statement of the cost per word, and the peculiar manner of counting the cable messages:

The following rates, in gold, are charged by the California Telegraph Company for transmitting despatches from San Fsancisco to Atlantic cities: To New York, for ten words or less in the body of the message, exclusive of address, signature and date, $7 90, and for each additional word, 60 cents; to Boston, $8 40 for ten words, and 63 cents for each additional word; to Washington, $8 20 for ten words, and 62 cents for each additional word; to Chicago $5 70 for ten words, and 45 cents for each additional word; to Cincinnati, $6 65 for ten words, and 50 cents for each additional word; to New Orleans $9 45, and 70 cents for each additional word.

ATLANTIC CABLE TARIFFS.

To any Station in Great Britain and Ireland, twenty words or less, not exceeding in all, one hundred letters, $50; each additional word, not exceeding five letters, $2 50; to Europe, $52 50, and for each additional word, $2 63; to Asia, Africa and India, $62 50, and for each additional word $3 13. Cable messages are counted in the following manner: All figures must be written out as words and counted from date to signature, inclusive.

First, count the entire number of actual or written words, (each initial letter of a name being one word.) Second, count the entire number of letters and divide by five to ascertain the number of "chargeable" words. (If a fraction remains, it is counted as a chargeable word.) The count which shows the greatest number of words is to be taken. Example: twenty-five written words, containing one hundred and thirty-two letters, would be rated as twenty-seven "chargeable" words, but the twenty-five written words contain but one hundred and twenty-five letters, or less, they would be rated as twenty-five "chargeable" words. Cipher and code dispatches are charged double the above rates.

To the above rates must be added one dollar and sixty cents for the first ten words in the body of the message, and thirteen cents for each additional word, for the local tariff of the California Telegraph Company.

# SEMI-WEKELY ENQUIRER.

**SATURDAY, JANUARY, 12, 1866.**

NOTICE.—Persons having business with this office of whatsoever kind will please address the undersigned, as no one else has any authority to transact business for the ENQUIRER.

Jan. 9, 1867. E. B. BOUST.

MURDER.—Mr. Wm. McDaniel, one of the oldest and most respected citizens of Auburn, in this county was brutally murdered in his own store about eight o'clock on Wednesday evening last. It appears that he was struck on the back of the head with a hatchet, the blow nearly severing the head from the body. The safe was robbed of its contents, evidencing the murder to have been committed for the purpose of securing the contents of the safe. His store is located in that portion of Auburn known as Chinatown, and it is supposed by the citizens of the town that the deed was perpetrated by Chinamen. Mr. McDaniel was a native of Virginia, and settled in Auburn in the year 1852, where he has resided ever since, an esteemed and respected member of society and a worthy citizen. He leaves a wife and six children to lament the sudden loss of a loving husband and kind parent. We hope that no pains will be spared to ferret out the fiends who committed this great outrage and bring them to a speedy punishment.

MASONIC INSTALLATION.—The Masonic fraternity of Iowa Hill held their annual Installation festival on Friday evening, January 4th, at which time the following Companions were installed by brother J. H. Neff, officers of Libanus Chapter, No. 17, R. A. M.: James Dods, H. P.; Edward G. Spencer, K.; Jno. Smith, S.; H. C. Ladd, Treas., W. D. Laurence, Sec'y.; J. F. Vanderier, C. H.; W. C. Rich, P. S.; Wm. Mills, R. A. C.; J. L. Barton, M. of 3d V.; A. Wagoner, M. of 2d V.; H. Stemple, M. of 1st V.; and J. E. Burdett, Guard.

On the same evening, and after the Installation of the Chapter officers, the following named brethren were installed as officers of Ionic Lodge, No. 121, F. & A. M., Past Master J. H. Neff, officiating, and brother I. T. Coffin, of Clay Lodge acting as Deputy Grand Marshal: James Dods W. M.; J. H. Vandevier, S. W.; Darius Ingersoll, J. W.; E. G. Spencer, Treas.; W. D. Lawrence, Sec'y.; W. W. Pool, S. D.; W. Mills, J. D.; A. Wagoner and Henry Stemple Stewards; W. C. Rich, Marshal, and G. Booth, Tyler.

After the installation ceremonies were through, the ladies were invited in and who kindly entertained the brethren with appropriate and interesting music and singing until the hour for supper was announced when all repaired to the spacious hall below the lodge-room where was spread a most sumptuous and inviting banquet, of which the guests zealously partook. Music was then introduced, and Terpschore assuming control most of those present indulged in the delightful mazes of the dance until an early hour on Saturday warned them of the time to return to sterner duties of life, all departing with kind and pleasant thoughts of those with whom they had so recently been partaking of the richest enjoyment.

I. O. O. F.—On Wednesday evening last, the officers elect of Olive Lodge, No. 84, I. O. O. F., were inducted into their respective offices by the District Deputy Master, (the list of officers was published in our paper January 2d.) After the installation exercises were completed the members and ladies repaired to the Dutch Flat Hotel where was spread in ample profusion a splendid repast. After partaking of the good things prepared for their consumption the company adjourned to the Golden Eagle Hall where music struck up and was kept time to by the lively feet and gay hearts of all present until about 4 o'clock in the morning of Thursday, when they dispersed, well satisfied with the social and intellectual feast.

ROBBERY.—On Wednesday afternoon last, while Mrs. Grohs, was temporarily absent from home, a thief entered her house and ransacked the premises, finding a ladies gold watch to which his or her fingers stuck to, and carried off. Our people should all keep a strict look-cut about their premises and as soon as suspicious characters were found lurking around their houses treat them to a load of buck-shot. There is nothing like compelling persons of a kleptomania disposition to observe the commandment the initial letters of which reads "thou shalt not steal."

PASSENGER STATISTICS.—The commercial statistics, for the past year, given by the *Bulletin*, a few days ago, are very full, and the tables generally correct, though the summary review thereof contradicts them. From these tables we learn that last year 27,166 passengers arrived at this State by sea, and 23,407 departed: net gain, 4,759. The gain was mostly by way of the Isthmus. The records of movements of Chinese population show that over two hundred more of that class of people left the State during the year than came to it.

NOTICE the advertisement of Messrs. Greeley & Fulweiler of the Union market, in to-day's paper. Persons in search of tender steaks and juicy roasts can be supplied at their market with all they want. Give them a trial.

NOT NECESSARY.—The Governor on the 8th instant received a telegram from our Representatives, to the following effect:

WASHINGTON (D. C.), Dec. 7th—9 P. M.

F. F. LOW, Governor: Does California desire Congress to provide for the election of Representatives? If so, what day should be appointed?

W. HIGBY,
J. BIDWELL,
D. C. MCRUER.

SACRAMENTO, January 8, 1867.

To William Higby, John Bidwell and D. C. McRuer, Washington (D. C.): Your dispatch received. In my opinion a large majority of the people of this State do not desire a special Congressional election. F. F. LOW, Governor.

So the flutter that was felt in our political circles will die off almost as soon as felt. That the answer returned by the Governor was in every respect right and in accordance with the wishes of a majority of our people we do not doubt. We know of no really urgent measures likely to come before Congress that would be jeopardized by a non representation from this State; the House of Representatives being overwhelmingly in favor of the policy adopted by Congress, and at the present writing are not aware of anything of important interest to our Coast that will be injured by a delay until the next regular session. There are many reasons which might be urged against the policy of holding an election for Congressmen this winter; the winter in the mountains of our State in many places would entirely prevent voters from exercising that privilege, and consequently it would be impossible to secure anything like a fair expression of opinion, while the expenses incurred by the State for the election would be about the same as though every man voted. This being the case, we do not think that the benefits—if any there be—would be compensurate with the outlay, lay. Leaning to the opinion that there will be no actual necessity for an election we think our cotemporary of the *Stars and Stripes* premnture in his suggestion on Wednesday last for an early meeting of the Board of Supervisors of this county for the purpose of appointing precincts. On Wednesday last we published the law in reference to the Registry Law and cannot see what good could be accomplished by a special meeting of the Board to appoint election Boards or precincts this early day. The Board will meet in due course in February, when, if necessary, this can, and will probably be attended to.

AT the election of District Mining Recorder, held at Auburn on the 5th instant, there were 99 votes polled, of which W. B. Lyon, our County Recorder, received 71, his competitor, Tabb Mitchell, receiving 28. The *Stars and Stripes*, commenting upon the result of the election, says:

"Although there was really nothing to call up party issues, nevertheless the Democracy, as on all other occasions, tried to ring in politics and make it a party matter. Out of curiosity, and for the purpose of showing who are in favor of public education, we examined the list of those who voted for Recorder, and find that of the 28 who voted for Tabb Mitchell only six gave anything toward the new school house, and their contributions amounted to but $80; while those who cast their ballots for the Union candidate contributed the sum of $1,135.

Presuming from the above that all those who cast their votes for Mitchell were Democrats, the deductions drawn are fair and in perfect keeping with the principles of that defunct monstrosity. Nasby says that the Democracy flourishes best where "ignorance is cultivated." The people of Auburn have demonstrated their progression during the last ten years.

CUT DIRECT.—Forbes of the Humboldt *Register* says some scathing things occasionally; the best however, we have seen for some time is the following. Forbes opposes Nye for Senator, and says of Lynch, who advocates Nye's re-election.

Old Lynch, of the Gold Hill *News*, may be supporting Nye for nothing—'seeing it's *him*'—but he never does a *decent* thing without good pay.

Evidently Forbes is well acquainted with Lynch, upon whom he is particularly severe. He doubtless had Lynch in his mind's eye when he penned the following:

SEMBLINS says an editor gets smaller pay for telling the truth than for anything else he does; hence some, having an eye to thrift, do very little of it.

AFTER WELLS, FARGO & CO.—The "road agents" of this State appear to have a particular antipathy toward this company. For the past nine months no robbery of any importance has been committed save upon the treasury of Wells, Fargo & Co., or their agents. On the 5th instant Sissons' Murphy's and Coperopolis stage was stopped within four miles of the latter place and robbed of $300, Wells, Fargo & Co.'s money.

FOURTEENTH VOLUME.—The *Mining and Scientific Press* entered upon its fourteenth volume and seventh year on Saturday last. It is all that its publishers claim for it, being a compendium of mining news on the Pacific Coast, and a general disseminator of all matters of interest to the mechanical and agricultural portions of the State.

As we go to press (Friday night) snow is falling in tremendous flakes; the ground has been covered since three o'clock, and there seems no probability of an abatement for sometime to come. God help the poor wanderer that is caught in such a storm as this. It is probable that this storm extends to the summit, and if it does it will impede travel across the mountains for some days.

**ATTENTION, FIRE COMPANY!**

**YOU are hereby requested to appear** at the next regular meeting, to be held at the Company's Room, on Monday evening, Jan. 14th, at 7 o'clock, P. M. By order of the Company.

# SEMI-WEEKLY ENQUIRER.

A COUNTRY "MILL."—On Monday morning last two Welchmen having become mutually dissatisfied with each other concluded to end their dispute by an appeal to arms, and accordingly repaired to the open space in front of Mr. Philipps' residence at the head of Main street and commenced the

FIRST ROUND—By both striking lustily and failing to "get in" their maulers went violently over against opposite fences, and after getting their wind came up promptly to the

SECOND ROUND—T. Looking spiteful and J's. eyes showing mischief, T. put out a feeler which was countered by J. who got in one on the side of T's dodger, when both went to grass.

THIRD ROUND—Time being called, both came to the scratch when T., planted a severe blow on his adversary's smeller and immediately clinched.

FOURTH ROUND.—A little sparring and *fiussing* occurring when both retired to their corners. The fifth, sixth and seventh rounds were a repetition of the fourth, when time was called and on the

EIGHTH ROUND—Both came to the scratch. J. felt out for T. and planted his mauler beautifully on T.'s bugle, bringing the claret splendidly. First blood for J.

NINTH ROUND.—Time being called both came up with promptness; T. got in a dig on J's. breast and J. striking wildly got in a blow below the the belt, but there being but one second, such trifling breaches of the P. R. were not noticed.

TENTH ROUND.—Time was answered and after a little sparring T. got in a tremendous blow on J's. breast, and J. missing everything, they both rolled to the ground.

ELEVENTH ROUND.—Both swung around the circle, and made a pass or two and missed. J. getting badly blown.

TWELFTH ROUND.—After a few demonstrations J. got T's. head in chancery and commenced a "milling" process in imitation of a quartz stamp, T. becoming tired, extricated his head and backed off, then taking a running start butted, J. about fifteen feet on a large stump and retired to his corner.

THIRTEENTH ROUND.—This round lasted about twenty minutes, in which time there was some very artistic reaching done to little purpose. T. got his mauler on J's winker, sending him to grass.

FOURTEENTH ROUND.—Time being called, J. showed decided symptoms of weakness, nevertheless he was willing to come, but was too enfeebled to stand the punishment he had received. On arising, T. got in some heavy blows, which caused J. to wilt and go to grass. Thus ended the first regular set-to we have heard of occuring in our usually quite and orderly town, and we hope the place will never be digraced by another.

FATAL MINING ACCIDENT.—On Thursday evening while John Whitedge was piping in his claim near Gold Run, he fell from the plot upon which he was standing into the ground sluice, a distance of forty feet, and was instantly killed. It is supposed that the hose-pipe which he was holding suddenly "twitched" and in stepping back to avoid it, fell into the sluice. His sudden disappearance caused immediate search, when he was found in the sluice, terribly crushed and mangled. He was a young man of excellent character, good habits and highly respected by all who knew him.

CROWDED.—At no time that we now remember has our hotels been as crowded as they now are; in several instances we have heard of persons being unable to procure sleeping accommodations at either of the two hotels in town. Many, coming into town, would think it was but sparsely inhabited, but at meal time or at night crowds flock into the places of resort, surprising even those familiar with the crowds daily coming and leaving. Our town is looking up.

PRINTER WANTED.—A competent compositor, who is steady in his habits can find permanent employment by applying at this office.

THE MITES.—We have been requested to state that the members of the Mite Society will meet on Thursday evening next, at the Theatre. All are invited.

THE members of the Fire Company are requested to meet at their room on Tuesday evening next.

THOSE who have worn-out pulu mattrasses can save money by sending their bedticks to Messrs. Hildreth & Dibblee and have them filled with the Imperial matress material.

REMEMBER.—There is no medicine in use equal to Hall's Pulmonary Balsam for the cure of coughs and colds. Try it.

"JES' SO!"—"EXACTLY!"—Solon Shingle said: they were there "every time." If he felt "owley" in the morning, he took Plantation Bitters: if he felt weary at night he took Plantation Bitters: if he lacked appetite, weak, languid, or mentally oppressed, he took Plantation Bitters and they never failed to set him on his pins square and firm.

A few bottles of PLANTATION BITTERS

Will cure Nervous Headache,

" Mental Despondency,

which are evidences of

**Liver Complaint and Dyspepsia.**

After a long research, we are able to present the most pleasant, the most remarkable cure for those horrid nightmare diseases the world has ever produced. Within one year over six hundred and forty thousand persons have taken the Plantation Bitters, and not an instance of complaint has come to our knowledge!

It is a most effectual topic and agreeable stimulant, suited to all conditions of life.

The report that it relies upon mineral substances for its active properties are wholly false.

The original quality and high standing of these goods will be sustained under every and all circumstances. They have already obtained a sale in every town, village, parish and hamlet among civilized nations. Base imitators try to come as near our name and style as they can, and because a poor article cannot be sold as low as a good one, they find some support from parties who do not care what they sell. Be on your guard. See our private stamp over the cork.

### MUSTANG LINIMENT.

Have you a hurt child or a lame horse? Use the Mexican Mustang Liniment.

For cuts, sprains, burns, swellings and caked breasts, the Mexican Mustang Liniment is a certain cure.

For rheumatism, neuralgia, stiff joints, stings and bites, there is nothing like the Mexican Mustang Liniment.

For spavined horses, the poll evil, ringbone and sweeney, the Mexican Mustang Liniment never fails

For wind galls, scratches, big-head and splint, the Mexican Mustang Liniment is worth its weight in gold.

Cuts, bruises, sprains and swellings are so common and certain to occur in every family, that a bottle of this Liniment is the best investment that can be made.

It is more certain than the doctor—it saves time in sending for the doctor—it is cheaper than the doctor, and should never be dispensed with.

"In lifting the kettle from the fire, it tipped and scalded me terribly. * *. The Mustang Liniment extracted the pain and caused the sore to heal rapidly, and left very little scar.

CHAS. FOSTER, 420 Broad str., Phil.

Mr. S. Litch, of Hide Park, Vt., writes: "My horse was considered worthless, (spavin) but since the use of the Mustang Liniment I have sold him for $150. Your Liniment is doing wonders up here."

HOPE FOR THE AFFLICTED.—In another part of this paper will be found the advertisement of the celebrated Institute established by Dr. J. C. YOUNG, in 1850. In this age of deceit and charlatanism, it is a boon to the suffering to point out to them where they are sure of obtaining the wished for relief and cure. Under the care of the skillful Doctor the sick and troubled can divest themselves of their burdens of pain; lay aside their cross, and secure health and happiness. If you are sick or in trouble, do not hesitate. Read the advertisement and follow the advice. Do not forget the number or the manner of directing your letters. MEDICAL ADVICE.—DR. WM. K. DOHERTY'S Medical and Surgical Institute is becoming a sine qua non to the welfare of our State and health of our citizens; and his rapidly spreading reputation, although it may excite surprise, is but the signal of skill, and follows as the natural result of such a cause. We are personally acquainted with gentlemen who had suffered for years under chronic disease, and who had taken advantage of every available means that promised relief, but without success, until they called upon Dr. Doherty, who, in an incredibly short space of time, has given them entire relief. It is gratifying to announce this fact, because the Dr. is a gentleman who seeks, not by defamation of others to establish his reputation or ruin of another's fame. The Doctor conducts his own institute in such a manner must be gratifying to all his patients. He examines, advises, and recommends without charge, and the patient, after hearing his terms for treatment, can accept or reject at pleasure. In no case does the Doctor make a charge unless he effects a cure. This he is able to do, because he feels the confidence which long experience has given, and no doubt the consolation which appertain to that confidence. Persons afflicted with either acute or chronic disease, would do well to consult the Doctor; at all events, it can do no harm, as for consultation he asks no fee; nor does he insist on obedience to his advice unless the patient places himself under his care. His offices are on Sacramento street, opposite the Pacific Mail Steamship office.—News

A NEW AND GRAND EPOCH IN MEDICINE.—Dr. Maggiel is the founder of a new Medical System! The quantitarians, whose vast internal doses enfeeble the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, with from one to two of his extraordinary Pills, and cures the most virulent cases with a box or so of his wonderfull and all-healing Salve. These two great specifics of the Doctor are fast superseding all the stereotyped nostrums of the day. Extraordinary cures by Maggiel's Pills and Salve have opened the eyes of the public to the inefficiency of the (so called) remedies of others, and upon which people have so long blindly depended. Maggiel's Pills are not of the class that are swallowed by the dozen, and of which one full taken creates an absolute necessity for another. One or two of Maggiel's Pills suffices to place the bowels in perfect order, tone the stomach, create an appetite, and render the spirits light and buoyant! There is no griping, and no reaction in the form of constipation. If the liver is affected, its functions are restored; and if the nervous system is feeble, it is invigorated. This last quality makes the medicines very desirable for the wants of delicate females. All Ulcerous and eruptive diseases are literally extinguished by the disenfectant power of Maggiel's Salve. In fact, it is here announced that MAGGIEL'S BILIOUS, DYSPEPTIC AND DIARRHŒA PILLS cure where all others fail. Which for Burns, Scalds, Childblains, Cuts and all abrasions of the skin MAGGIEL'S SALVE is infallible. Sold by J. MAGGIEL, 11 Pine street, New York, R. H. McDonald & Co., San Francisco, and all Druggists, at 25 cts. per box. Jy 7 12m

## MEDICAL.

## FRENCH MEDICAL OFFICE.

DR. JULIEN PERRAULT, Doctor of Medicine of the Faculty of Paris, Graduate of the University Queen's College, and Physician of the St. John Baptiste Society of San Francisco.

DR. PERRAULT has pleasure to inform patients, and others seeking confidential medical advice, that he can be consulted daily at his office, Armory Hall Building, North-East corner Montgomery and Sacramento streets, San Francisco. Rooms No. 9, 10, 11, first floor, up stairs entrance either Montgomery or Sacramento streets.

DR. PERRAULT'S studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruit tasted long afterward; patients, laboring under this complaint, will complain of one or more of the following symptoms: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urethra on going to stool or making water, the Intellectual Faculties are Weakened, Loss of Memory ensues, Ideas are clouded and there is a disinclination to attend to business, or even to reading, writing or the society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that Sight and Hearing are Weakened and sleep disturbed by dreams, melancholy, sighing, palpitations, faintings, coughs and slow fever; while some have external rheumatic pain, and numbness of the body. Some of the most common symptoms are pimples in the face and aching in different parts of the body. Patients suffering from this disease, should apply immediately to DR. PERRAULT, either in person or by letter as he will guarantee a cure of Seminal Emissions and Impotence in six to eight weeks.

Patients suffering from venereal diseases in any stage Gonorrhœa, Gleet, Strictures, Bubo Ulcers, Cutaneous Eruptions, etc., will be treated success fully. All Syphilitic and Mercurial Taints entirely removed from the system.

DR. PERRAULT'S diplomas are in his office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best references given if required.

Patients suffering under chronic diseases, can call and examine for themselves. We invite investigation; claim not to know everything, nor to cure everybody, but we do claim that in all cases taken under treatment we fulfil our promises. We particularly request those who have tried this boasted doctor, and that advertised physician, till worn out and discouraged, to call upon us.

Low charges and quick cures.

Ladies suffering from any complaint incidental to their sex, can consult the doctor, with the assurance of relief.

### Female Monthly Pills.

DR. PERRAULT is the only agent in California for DR. ROY'S Female Monthly Pills. Their immense sale has established their reputation as a female remedy, unapproached, and far in advance of every other remedy for suppressions and irregularities, and other obstructions in females. On the receipt of five dollars, these Pills will be sent by mail or express to any part of the world, secure from curiosity or damage.

Persons at a distance can be cured at home, by addressing a letter to DR. PERRAULT, corner of Sacramento and Montgomery streets, Rooms, 10 and 11, or Box 973, P. O., San Francisco, stating the case as minutely as possible, general habits of living, occupation, etc., etc.

## MEDICAL.

## DR. CHAS. H. TOZER'S

**PRIVATE MEDICAL INSTITUTE,**
N. E. Corner of Kearny and Jackson Streets,
SAN FRANCISCO.

*The Great Eradicator of Special complaints, formerly of Locke Hospital, London, Eight Years in Sacramento, and the last Four Years in San Francisco.*

### DR. TOZER'S

Experience is of forty year's standing, and during that time he has met with unparalleled success in the treatment of all those diseases generally known as Venereal or Chronic.

It is impossible here to mention all the diseases with which he is familiar; some, perhaps, will not be out of place. The most formidable, the most destructive to mankind is Self-Abuse. The brain being the seat of the disease, the whole system suffers in consequence. I will here enumerate some of the symptoms, so that those afflicted may be able to form an opinion in regard to their complaints and seek advice in time, thereby saving themselves a world of suffering: Nervous Debility, Loss of Memory, Pain in the Limbs and Back, Palpitation of the Heart, Trembling of the limbs, Headache and an aversion to general society, especially that of females. There are a great many more, but these are sufficient, and should you be suffering from any of them, call on Dr TOZER, and he will cure you in a short time, without any interruption to your business—or state your case by letter, and there will be no occasion for your calling at the office.

### Stricture of the Urethra

Is another formidable enemy to health. Send for one of my circulars on that disease, and inform yourself of its terrible results. The worst cases cured in a few days.

### Venereal Diseases,

In all their various forms, either Primary, Secondary or Hereditary, completely eradicated from the system. Your constitution being restored to perfect health, there will be no danger of handing down to your children that terrible disease known as Scrofula

### Syphilitic Disease,

As it presents itself on this coast, is of a more formidable character than that seen in the Atlantic States or Europe, arising from the fact of its being a compound of Spanish, Chinese and Sandwich Island disease. Those of you who have visited the two countries no doubt have seen the dreadful effects of it on the native and foreign population. It requires altogether different modes of treatment.

### The Old Formulas

Of Ricord, Acton and Bostwick, are of little account, except to dry up the disease on the surface, leaving the poison in the blood, which, sooner or later, will show itself as a secondary disease in an aggravated form. These facts I have learned by experience, and think I can say without boasting, that I have seen more practice in these diseases than any other physician in San Francisco, dating, as it does, from 1849. It becomes you, therefore, to think well before you employ a physician. Who is the proper one to consult? An old experienced one, or one who has recently settled among you?

My plan is purely vegetable, destroying the disease and purifying the blood so that there is no danger of secondary symptoms.

### Rheumatism, Neuralgia,

And diseases arising from the use of Mercury, such as pains in the skin bones, swellings of the different joints of the body, running sores, etc., and impurities of the blood, cured in a short time by the use of my VEGETABLE MIXTURES, known only to myself.

### Seminal Weakness.

Should you be afflicted with any of the following symptoms, such as weakness of the Back and Limbs, Pain in the Head, Dimness of Vision, Nervousness and General Debility, Loss of Memory, Confusion of Ideas, and Depression of Spirits, Evil Forebodings, Self-distrust, and an aversion to society, consult DR. TOZER at once, and he will restore you to perfect health.

### To Females.

### A Grateful Acknowledgement to Skillful Gentlemen.

SAN FRANCISCO, June 1, 1866.

*Dr. Chas. H. Tozer:*—Dear Sir: You will excuse me for not writing to you sooner. You will please remember me as the individual who called on you for assistance about a year ago. The roof of my mouth had completely rotted out, and my palate dropped and there remained, stopping up the passage so that I could hardly eat. You remember you cut it out at once, which relieved me immediately, and I was enabled to swallow my food, and in a short time began to improve. I took your medicine, and followed your directions for several months. You finally succeeded in stopping the disease, saving my nose and upper lip, though you frequently cautioned me about losing it. I continued to improve until you finally recommended me to go into the country, and before going, by your advice, I had a cast taken of my mouth, in order that I could have a plate made for me to enable me to speak so as to be understood, and am now using it. My eternal thanks are due to you for the perseverance and skill that you displayed in my case; and I have to thank you for my restored health, and even my life, as I was very near bleeding to death several times from the nose. I am now in Sacramento City, enjoying good health, and I shall recommend all my friends to call on you should they be so unfortunate as to require assistance; and I would advise all persons to avoid certain scientific doctors in your city, for they will send them to a land from whence no traveler returns.

With my best wishes for the success of both of you, I remain, yours, etc., S. S. T.

To Dr. Chas. H. Tozer, San Francisco, Cal.

**Private Medical and Surgical Institute**

Sacramento Street, below Montgomery, opposite the Pacific Mail Steamship Company's Office. Private entrance on Leidesdorff street, San Francisco.

*Established expressly to afford the afflicted sound and scientific medical aid in the treatment and cure of all Private and Chronic Diseases, cases of Secrecy and all Sexual Disorders.*

### TO THE AFFLICTED.

DR. W. K. DOHERTY returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of chronic diseases of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all private diseases, viz: Syphilis in all its forms and stages, Seminal Weakness, and all the horrid consequences of self-abuse, Gonorrhœa, Gleet, Strictures, Nocturnal and Diurnal emissions, Sexual Disability, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., etc., and he hopes that his long experience and successful practice will continue to ensure him a share of public prtronage. By the practice of many years in Europe and the United States, he is enabled to apply the most efficient and successful remedies against diseases of all kinds. He uses no mercury, charges moderate, treats his patients in a correct and honorable way, and has references from men of known respectability and high standing in society. All parties consulting him by letter or otherwise, will receive the best and gentlest treatment, and implicit secrecy.

DR. DOHERTY would call attention to the following certificates from two of his patients, who, having fully recovered their health, desire to make known their remedial agent. It will be seen their statements are fully authenticated by a Notary Public.

The welfare of society imperiously demand their publicity and they are given more to warn the unwary than to sound the praise of a Physician, of whom hundreds of like cases can be cited during a practice of more than fifteen years.

"DR. DOHERTY—Dear Sir: I feel my health so fully restored, that in common gratitude, I believe I should make you some written acknowledgement for your valuable services—particularly as your fee was small for the work performed.

I arrived in this city from the East about one year ago, and was then suffering from an old case of Gleet, complicated with Stricture. Being a stranger in this city, and believing those Doctors who gave such positive assurances of success were necessarily the best, (some of whom have a large number of titles,) I placed myself in their charge and continued under their treatment until I had lost nearly all hope and a considerable sum of money.

I wish to say now that you are the sixth Doctor I have employed, and the only one that has ever done me any service. My Gleet is wholly cured, the Stricture is all removed, and my general health is better than it has been for years.

In conclusion, I would say to the many unfortunates who require medical advice, if you have any doubt as to whom you may employ, ask Dr. Doherty for my address and call and see me. (I keep store in this city.) My experience may save you many dollars.

I would also add that in the early stage of my disease I used a large amount of the preparations advertised as an infallible cure for Gonorrhœa, Gleet, etc., but never derived any benefit from them.

I am, Doctor, very truly yours,
L—— H——.

### Seminal Weakness—A Sworn-to Certificate of a most Remarkable Cure of Spermatorrhœa.

A desire to benefit humanity, and a feeling of gratitude to Dr. W. K. Doherty, alone induces me to make this statement. For many years I have been afflicted with that fearful disease known as "Spermatorrhœa," or Seminal Weakness, the result of self-abuse, but till 1855 experienced but little trouble or inconvenience. In that year however, I had Seminal Weakness to an alarming extent, which was soon followed by the most alarming symptons as weakness of the back and limbs, pain in the head, dimness of vision, nervousness and general debility. My mind, too, was afflicted to such an extent as to seriously impair my memory; my ideas were confused and spirits depressed. I was averse to society, had evil forebodings and self-distrust, and was entirely unfitted for any of the duties of life. From 1855 to the summer of 1863, I employed the very best medical talent I could find, and spent several hundred dollars, but in no instance obtained more than temporary relief. I had about concluded there was no relief for me in this world, but seeing Dr. Doherty's advertisement, I thought I would call and see him, as he charged nothing for consultation. I had an interview with Dr. Doherty at his office, in Sacramento street, and his fee for treatment was so reasonable, I determined to try him, though I did not expect much benefit from his treatment. On the 5th of December last I placed myself under his care; in one week I found myself very much improved, and, now, after five weeks' treatment, I feel myself thoroughly cured of all my troubles and in the enjoyment of the best health. Hoping that my experience may be of benefit to others similarly afflicted, I subscribe myself JAMES JOHNSTON.

Subscribed and sworn to before me, this 15th day of January, A. D. 1864.
[L. S.] A. G. RANDALL, Notary Public.

**THIS CELEBRATED INSTITUTE** has enjoyed on this coast an uninterrupted success of fourteen years, and has become one of the renowned Hospitals of the age. What the celebrated Lock Hospital is to London, and the no less renowned establishment of Ricord is to Paris, this Institute has become to the Pacific coast. The thousands annually received and cured place it in point of number of patients among the very first of the world and the success of its treatment ranks it second to none.

PRIVATE DISEASES IN MALES and IRREGULARITIES IN FEMALES are the great destroyers of health. They insidiously attack the system and gradually undermine and destroy it; they drive the bloom from the cheek, the lustre from the eye, the strength from the frame; they give to the world puny and diseased offspring, and poison, through successive generations the race of man. The marks can be seen in Scrofula, Consumption, Cripples, the Idiotic, the Paralytic, the Insane, etc.

There is no more terrible scourge to the human race than those diseases arising from the contamination of Venerial Poison. The mildest forms, by retreating to the blood, hold over the afflicted one, the destruction that is liable at any moment to fall and blight—to utterly destroy—all earthly hopes.

MERCURY, recognized as the most fatal medical enemy to man, combining with the Venereal, doubles its dangers. Those who have been treated with that pernicious mineral poison are not cured; the disease has only assumed a new form.

**Do not be satisfied with partial cures** that leave the poison to crawl through the system, eating its way into the tissues and organs beneath, the apparently smooth surface, to burst out in the future with a virulence that will baffle the effects of medicine. ### Seminal Weakness or Spermatorrhœa

The young man who experiences that growing weakness in his muscular and menta organization should stop to consider whence it arises. He will find in the weakness of the back, trembling of the limbs, disordered digestion unaccountable failing of the powers of the mind, distaste for society, dread of impending trouble, forebodings of evil, sleeplessness, troubled and lascivious dreams, accompanied by growing deafness, loss of muscular power, and numerous other symptons of disorganization, the positive traces of that most terrible and destructive of all diseases Seminal Weakness—wasting away his powers, destroying his hope of life and manhood, and dragging him along the broken path of his existence towards a premature and loathsome grave. To him who finds his life dribbling out in the discharge of the vital principle of existence in nocturnal and diurnal emissions, the mere cessation of its appearance brings no assurance of relief.

Marriage, that holy office, the safeguard and hope of manhood, brings to such an one no hope of cure, but adds to his misery in the knowledge that he one, who looks to him for so much of her happiness, is a victim to his evil, and an innocent companion of his punishment. He adds to his misery and disorder until hope leaves him. There is no rescue except in proper and skillful treatment. Consult then, at once, a physician whom long practice and careful research has made thoroughly conversant with every phase of the disease. Those who have become the victims of solitary vices, that dreadful, fascinating and destructive habit, which fills thousands o sick-rooms with paralytics and consumptives, and hundreds of untimely graves with its misguided victims, should consult, without a moment's delay, one who will sympathize with their sufferings. To such the Doctor would especially address himself, giving to each and all assurance of a PERFECT and PERMANENT CURE, without hindrance to business, change of diet, or fear of exposure.

Do not forget the address. See below.

### Important to Females.

When a female is in trouble or afflicted with disease and requires medical or surgical assistance, the enquiry should be, Where is there a physician who is fully competent to administer relief, and whose respectable standing in society recommends him to the confidence of the community? The Doctor understanding how imperatively necessary these requirements are, feels called upon to interpose, and beg the attention of the afflicted to the fact that he has been a Professor of Obstetrics and Female Diseases for twenty years, and is fully qualified to administer in all cases, both medically and surgically, not in a superficial manner, but in as thorough a manner as years of study and practice—both in hospitals and private families—can make, to save them from the hands of the unqualified, unscrupulous and designing. Therefore females can rely upon him as upon a father. All in affliction can find in him one who will feel and sympathize with and befriend them in trouble—one in whose secrecy the utmost confidence can be placed. Consultation by letter or otherwise, FREE. See address below.

THE CELEBRATED FEMALE REMEDIES, compounded from the private prescription of Dr. Young, have now obtained a most extended popularity, and are correctly viewed to be the safest and surest remedies for the complaints for which they are applied. The constantly accruing testimonials of their efficacy declare them to be pre-eminently superior in their action. No lady should be without these Renovating Agents. None genuine unless procured at this office.
